

14th EUROPEAN ECHOCARDIOGRAPHY

COURSE on congenital heart disease

BARCELONA
October 9th-12th, 2019

Course Directors: Jan Marek (London), Folkert Meijboom (Utrecht), Luc Mertens (Toronto)
Local Organizer Bart Bijmens (Universitat Pompeu Fabra, Barcelona)

The 14th European Echocardiography Course on Congenital Heart Disease
will be organised in Barcelona (Universitat Pompeu Fabra),
from Wednesday October 9th to Saturday October 12th, 2019.

This course is aimed for pediatricians and cardiologists as well as sonographers with interest in congenital heart diseases by providing an extensive overview on Echocardiography in Congenital Heart Disease. The program is built as side-by-side comparisons of morphology and imaging, addressing all the major abnormalities encountered in clinical practice. The course prepares for the accreditation examination for “Congenital Heart Disease Echocardiography” organised by the ESC-EACVI and AEPC.
